EXPERIENCE

- Accounting Intern*, **U.S. Accounting Inc.**, New York, NY May 2025 – July 2025
- Supported tax filings for 50+ small business clients, including UI, PFML, quarterly, and year-end reporting
 - Performed full-cycle bookkeeping, reconciled payroll/bank transactions, and prepared GAAP financial statements
 - Created Excel macros to automate payroll extraction, ICESA formatting, UI/PFML filing, and batch client emails
 - Strengthened proficiency in QuickBooks and client database systems by managing high-volume bookkeeping, payroll services, and reconciling disorganized financial records to ensure accurate reporting under tight deadlines
 - Developed a tool to parse client data and automatically populate Word/PDF forms and letters (e.g., Dissolution, S Corp Election), enhancing document accuracy and expediting turnaround times.
- Business Development Associate*, **Acryno To** (Digital Healthcare Startup) Oct. 2024 – Nov. 2025
- Conducted market research and competitive analysis to identify potential funding sources and strategic partners
 - Executed targeted communication and outreach to venture capital firms and key stakeholders to build relationships
 - Contributed to product strategy through market analysis and supported growth initiatives to boost user acquisition.
- Office Assistant*, **NYU Stern Fubon Center**, New York, NY Oct. 2024 – May 2025
- Assisted with event logistics and setup to support the smooth execution of academic and industry events
 - Managed email communications and maintained contact lists to coordinate outreach with partner organizations
 - Provided administrative support, including scheduling and document management, to assist with daily operations
- Volunteer Tutor*, **AYLUS Raritan Valley Branch**, East Brunswick, NJ Sept. 2020 – May 2024
- Led virtual English tutoring programs during the pandemic and trained junior volunteers across four years
 - Organized community events and earned the Presidential Volunteer Service Award for long-term service

LEADERSHIP AND ACTIVITIES

- Mentee*, **Tech@NYU Mentorship Program** Feb. 2025 – May 2025
- Built a full-stack group event scheduler in React Native with custom UI and backend logic for the Real LFG app
 - Collaborated with a mentor to strengthen mobile development skills and align product features with user needs
- Public Relations*, **East Brunswick Math Team** Sept. 2022 – June 2024
- Redesigned the team website and managed social media outreach as Public Relations Manager in 2023
 - Organized meetings, coordinated logistics, and guided the team through regional and national competitions.
