EDUCATION

New York University, Leonard N. Stern School of Business, New York, NY Sep 2024 – Jan 2028

Bachelor of Science in Business | Concentrations: Finance, Computing and Data Science

- GPA: 3.71/4.00
- Relevant courses: Foundations of Finance, Financial Accounting, Business Databases, Decision Models & Analytics

EXPERIENCE

NYU Stern Center for Sustainable Business, New York, NY Mar 2026 – Present

Administrative Intern

- Maintained and updated a student-facing database of 150+ sustainability-focused roles and opportunities using Excel
- Managed tab-level tracking and Salesforce data upkeep to support outreach efforts and maintain accurate records

U.S. Accounting Inc., New York, NY May 2025 – Jul 2025

Accounting Intern

- Supported tax and compliance filings for 50+ small-business clients, including UI, PFML, and year-end reporting
- Performed full-cycle bookkeeping, completed 160+ payroll and bank reconciliations, and prepared GAAP-compliant financial statements using QuickBooks and internal databases under tight deadlines
- Identified workflow bottlenecks and inefficiencies, then developed Excel VBA macros to automate payroll extraction, ICESA formatting, UI/PFML filings, and batch client communications, driving adoption across 60%+ of the firm.
- Developed a Python automation tool to parse client data and auto-populate Word/PDF forms and letters (e.g., Dissolution, S-Corp Election), improving document accuracy and reducing workflow time by ~70%

Acryno To, New York, NY Oct 2024 – Nov 2025

Business Development Associate

- Conducted due diligence on 100+ investors, healthcare professionals, and partners to support fundraising and growth
- Performed market and competitive analysis, developed investor target lists, and supported outreach strategy

NYU Stern Fubon Center, New York, NY Oct 2024 – May 2025

Office Assistant

- Coordinated logistics, on-site execution, and captioning support for academic and industry events
- Researched organizations nationwide and conducted 500+ outreach emails for Stern's annual FinTech Conference

LEADERSHIP, ACTIVITIES, AND PROFESSIONAL DEVELOPMENT

SEO EDGE Participant, SEO Career, New York, NY Mar 2026 – Present

- Selected for SEO EDGE, a competitive program preparing students for finance and business internship recruiting
- Completed structured training in finance technicals, interview preparation, and professional readiness

Mentee, Tech@NYU Mentorship Program Feb 2025 – May 2025

- Built a full-stack group event scheduler in React Native with custom UI and backend logic for the Real LFG app
- Collaborated with a mentor to optimize application logic, user experience, and recommendation engine performance

Activities: Business Finance Group, Tech@NYU, Special Situations Investing Group, NYU Rho Epsilon Iota, NYU Judo

Projects: Built exploratory data analysis, machine learning, automation, and full-stack software projects using Python, SQL, React, and VBA, leveraging AI-assisted development across finance, healthcare, and workflow optimization.
